

## PVC-C High Voltage Cable Protection Pipe Extrusion Line From <http://>

PVC-C High Voltage Cable Protection Pipe Extrusion Line

**Application?** This line can produce anti high strength, anti high temperature, anti-aging, anti-chemical, good insulation PVC pipe. The quality of this pipe is up to B/T2479-2000 and Q/YSTH-1999 standard. It is the first choice for the high voltage cable protection and hot water pipe.

**Main Charaters:** This line can solve the problems of high temperature melting, high viscosity, easy-decomposition. The special designed screw, gearbox, tooling, and HMI system make the line reliable and easy operation.

### Main Technical Parameters

Model	SJZ80/156-GF250	Total power(kw)	120
Max.output(Kg/h)	400	Cooling water(m3/h)	6
Max.diameter(mm)	250	Compressed air(MPa)	0.6

Note: The specifications are subject to change without prior notice.
